GOOD DEEDS

HOW DO YOU SUBMIT GOOD DEEDS?

THIS YEAR, SUBMITTING A GOOD DEED IS EASIER THAN EVER:

1. Record your Good Deed
2. Post it on social using #GoodDeedsCup and #Contest and #u13ablueburlingtoneagles and #FillTheCup
3. Be sure to tag @ChevroletCanada and @u13ablue_burlingtoneagles to make sure your entry gets counted!
Your profile must be turned on to public and be able to receive direct messages

THAT'S IT!

Submit any Good Deed on TikTok, YouTube, Instagram, Facebook and X. Every eligible good deed earns our team a point on the leaderboard. The more points our team earns, the greater our chances to win, so do as many unique good deeds as you can!

Don't want to make your profile public?

No problem. We get it. Instead send your video or photo, name and a short description of your good deed to u13ablueburlingtoneagles@gmail.com and we'll post it on our team Instagram page for you.

What is The Chevrolet Good Deeds Cup?

The Chevrolet Good Deeds Cup seeks to inspire young Canadians to do good by transforming the positive values learned through hockey into good deeds within their communities. A deed is good when it's beneficial to someone or something other than yourself, your team or any excluded parties.

Who will benefit if we win?

Our charity we chose is the [Gift of Giving Back \(GOGB\)](#). Founded in 2005, The Gift of Giving Back is the largest community food drive in Canada. It provides an opportunity to inspire, support, educate and empower children through local minor athletics associations and school systems, to compassionately give back to our community.
