BULLDOGS**

HAMILTON BULLDOGS HOCKEY CLUB

**Sports Health and Safety Night
Monday February 16, 2015
FirstOntario Centre @ 1:00 pm**

We would like to formally invite your team out to our Health and Safety Night during our home game here at FirstOntario Centre against the Utica Comets.

Health and Safety is a big part of any sport and we want to make everyone aware of all aspects of the game.

We are inviting out multiple sport organizations that deal with health and safety including concussion aware clinics, mouth guard clinics and physiotherapy clinics. There will be tables set up around the concourse where teams can visit to learn more about the products and information these companies have to offer.

Discounted pricing is available for groups of 10 or more and is outlined as follows:

Gold tickets- \$20

Red tickets- \$15

Blue tickets- \$12

* children 2 and under do not need a ticket

There will be a free skate available to all fans after the game, up to 200 people, helmets will be required for kids.

For more information, please contact Hamilton Bulldogs representative Justin Vanderlaan at (905) 546-8188.
